UPDATE: Hickory Grove Bridge work for Northwest Corridor Project Requires Lane Closures on I-75 Southbound

WHAT: As work continues on the new Hickory Grove Road Bridge over I-75, lane closures will be scheduled for bridge demolition activities.

WHERE: **I-75 Southbound between Woodstock Road and Hickory Grove Road**

Friday, June 17th during the off-peak hours of 8:00 p.m. to 5:00 a.m. Single lane closure begins at 8:00 p.m. and expands to a double lane closure at 9:00 p.m. until 5:00 a.m.

There will be no I-75 Northbound closures for bridge demolition activities for the remainder of the week.

ADVISORY: Motorists are advised to exercise caution while driving in these areas. On-site message boards indicating dates and times will be present in advance of these closures.

***Note:** Please be advised this schedule may shift as the work dictates. Additional traffic impacts and lane closures will be required on Hickory Grove Road and on Interstate 75 to facilitate both bridge and roadway work in this area over the next several months.
